A handwriting practice sheet featuring a vertical line and a horizontal line. The vertical line is on the left, and the horizontal line is on the right. Both lines are composed of a solid top line, a dashed middle line, and a solid bottom line. The horizontal line is positioned at the top of the page, and the vertical line is positioned on the left side of the page. The lines are intended for tracing and practice.[illegible]This image shows a blank sheet of primary-ruled paper. It features a vertical margin line on the left side, creating a narrow left margin. The rest of the page is filled with horizontal ruling lines. There are four solid lines at the top, followed by several dotted lines, and then more solid lines towards the bottom. This layout is typical for teaching handwriting or basic writing skills to young children.

2 Est-ce possible avec 21 étagères ? Si oui, combien de livre mettra-t-il sur chaque étagère ?
